Dear Md Asrul Nasid,

Re: Doctor of Philosophy

I am writing to advise that on 3 August 2012 the Chairperson of the Research Degrees Committee determined that you have completed all course requirements for the higher degree award of Doctor of Philosophy for your thesis entitled *Developing a predictive contractor satisfaction model (CoSMo) for construction projects*.

The Queensland University of Technology's Registrar has executively approved the conferral of your degree and you are now entitled to use the official title of "Dr".

The Ceremonies Officer will contact you in due course regarding the next available graduation ceremony.

I would like to convey to you my warm congratulations on your achievement. Congratulations also to your supervisors and to the Science & Engineering Faculty for helping you to attain your higher degree.

Please do not hesitate to contact me if you have any queries.

Yours sincerely,
