

BACKGROUND

Eidayu has over 23 years of experience in master planning, landscape architectural design and technical co-ordination incorporating project management and site works. With a diverse range of project experience and awards, she has focused on conceptual analysis, landscape design, landscape master planning and urban design for various multi-disciplinary consultants in Malaysia, Singapore, Indonesia, the Middle East, India and China. Her passion for large scale landscape planning and designing has led to a number of project awards. Eidayu is an active member of the Institute of Landscape Architect Malaysia (ILAM), and formerly active member of Singapore Institute of Landscape Architects and designer for PUB's Active, Beauty and Clean (ABC) Water Features.
